NOTICES TO COMPETITORS IN ATHLETIC AND AQUATIC SPORTS

The Rules of the A.A.A. will be strictly enforced.

Competitors must be ready to start when the bell rings, and they are also required to wear the numbers provided for them by the committee.

The flat races will be started by the report of a pistol; a snap of the cap will be counted a mis-fire. If a competitor oversteps his mark before the pistol has been fired, he will be put back in—

- (a.) 100 yards race 1 yard
- (b.) ¼-mile race 2 yards
- (c.) r mile race 5 ,,

These penalties will be doubled for a second offence, and disqualification will follow a further repetition of the same offence.

The decision of the Judges will in all cases be conclusive, and will be notified on the telegraph board.

Tables will be placed in the Competitors' Dressing Tents, at which all competitors must attend and give in their names and numbers at least ten minutes before the time for the event in which they intend to compete. They will then receive the number cards to be worn. Anyone not complying with these regulations cannot be allowed to compete.

A bell will be rung immediately before the commencement of each event. The committee do not bind themselves to give any other notice and no delay will be permitted through the absence of any competitor.

Officials only will be allowed inside the course.

No more than two first prizes or more than three prizes in all may be retained by any one competitor, excluding those for Tug-of-War.

Programme of Aquatic Sports.

N.B.—University Costume must be worn. The numbers against the names of competitors indicate the order in which they stand at starting-point, counting from bank adjacent to the lawn.
